Patents 1 - 10 on encryption key por

Sort by relevance | Sort by date (new first) | Sort by date (old first)

Computer file backup encryption system and method

US Pat. 5802175 - Filed Sep 18, 1996

The result being that, although physical control spending encryption key ...
This method of archiving data is that a decryption key must be generated and ...

System and method for backing-up data stored on a portable audio player

US Pat. 6577735 - Filed Jun 8, 1999 - Hewlett-Packard Development Company, L.P.

2 is an illustration of an embodiment of a portable audio player in accordance
... The generation of an encryption key from the audio data on an audio CD is ...

Intelligent electronic appliance system and method

US Pat. 6850252 - Filed Oct 5, 2000

A further method is 20 provided for securing portable key data including encryption
key information comprising the steps of: a) selecting a first ...

Distributed data archive device and system

US Pat. 6711594 - Filed Aug 13, 2001 - Dai Nippon Printing Co., Ltd.

The encryption of the individual divided data makes it difficult to know the
original data, and therefore there is substantially no fear that a furtive ...

Portable device using a smart card to receive and decrypt digital data

US Pat. 6779115 - Filed Feb 18, 2000 - Digital5, Inc.

In the case of portable devices, encryption/ decryption chips embedded within the
... The smart card possesses the key and the hardware to decrypt the ...

[APPLICATION] System and method for manipulating and managing computer archive files

US Pat. 11358334 - Filed Feb 21, 2006 -

Examples of portable certificate storage devices include a Smart Card and a ...
A master encryption key may be derived by the compression/extraction engine ...

[APPLICATION] System and method for manipulating and managing computer archive files

US Pat. 11358324 - Filed Feb 21, 2006 -

Examples of portable certificate storage devices include a Smart Card and a ...
A master encryption key may be derived by the compression/extraction engine ...

[APPLICATION] System and method for manipulating and managing computer archive files

US Pat. 11358333 - Filed Feb 21, 2006 -

Examples of portable certificate storage devices include a Smart Card and a ...
A master encryption key may be derived by the compression/extraction engine ...

[APPLICATION] System and method for manipulating and managing computer archive files

US Pat. 11358745 - Filed Feb 21, 2006 -

Examples of portable certificate storage devices include a Smart Card and a ...
A master encryption key may be derived by the compression/extraction engine ...

[APPLICATION] [System and method for manipulating and managing computer archive files](#)

US Pat. 11358505 - Filed Feb 21, 2006 -

Examples of portable certificate storage devices include a Smart Card and a ...
